Verse 1

2m 4 6m
I was all in, ‘til we ended up here, I was expecting the desert,
5 3m
but I wasn’t forty years
2m 4 6m
My mouth is dry, and there’s sand in my shoes, and I’m
5 3m 2m
Starting to wonder if I should have followed You

Chorus

4 2m 6m 3m
The unbelief in me is wondering why, The unbelief in me is whispering lies
4 6m 5
The unbelief in me is making me believe that You brought me here to die

Verse 2

All that You’ve done, and the things that I’ve seen, they are
So far away now it almost seems like a dream
I just need to know, that I’m
I’m not alone, but I haven’t heard from You in so long
This feels like home

Chorus 2

4 2m 6m 3m
The unbelief in me is wondering why, The unbelief in me is whispering lies
4 6m 5
The unbelief in me is making me believe that You brought me here to die, brought me here to die
4 2m 6m 3m
I’m trying to believe that You still speak, I’m trying to believe even when I can’t see
4 6m 5
I’m trying to believe, but only You can help this unbelief in me

Bridge

4 6m 3m 4 5
The problem is it’s easier to drift away than it is to stay this close
4 6m 3m 2m
The problem is it’s harder to hold on that it is to just let go
4 6m 5 4
So hold on to me hold on to me
