Verse 1

4 5 3 4 4 5
Stake your claim, write it on my heart that I won't be the same
3 4 4 5
You broke through like a rainbow coming after rain,
3 4 4 5 3 4
I'm drenched in love that won't cease to fall
4 5 3 4 4 5
So fall on me, crush me like a wave and pull me out to sea,
3 4 4 5
Wash then raise me up because I've been set free
3 4 4 5 3 4
By a love that won't cease to fall

Chorus

4 5 3 4
I'll never be the same now, that the old is gone
4 5 3 4
Let the new begin, You bled for my sin
4 5 3 4
I'll never be the same now, that the old is gone
4 5 3 4 4 5 3 4
Let the new begin, oh let the new begin

Verse 2

All my chains are gone, they fell away like embers from a burning tree
Scattered by the wind, never again to be seen, buried by a love that won't cease to be

Chorus 2

I'll never be the same now, that the old is gone
Let the new begin, You bled for my sin
I'll never be the same now, that the old is gone
Let the new begin, oh let the new begin, I'll never be same

Yes, all of heaven sings for me and the grace that saved my soul
